## Form 990-EZ, Part III - Additional Information

## Statement of Program Service accomplishments, Line 28 Detail:

Our primary focus is educating the public about how the legalization of commercialized gambling has failed: a policy which has consistently placed financial exploitation, addiction, and the mirage of government revenues ahead of the economic, mental, and social well-being of citizens, especially young adult and kids, and people from the low-income communities. We compile research on state lotteries, regional casinos, online gambling, and commercialized sports betting and then distribute a wide range of related educational materials such as fact sheets, reports, videos, and white papers at no charge. Our impact extends to citizens and organizations from all 50 states and of all political stripes.

## Statement of Program Service accomplishments, Line 29 detail:

We collect and publish testimonies from citizens who have been harmed by predatory gambling. We also hold lectures, online forums, house meetings, and other public events to amplify the voices of citizens who have suffered life-changing harm as well as empower communities who have been targeted by gambling operators. Our impact extends to citizens

Statement of Program Service accomplishments, Line 30 detail:

We provide trustworthy, science-based information about the problem of predatory gambling to interested parties for use in news reporting, messaging, and educating federal and state legislators on the benefits of reforming our nations' current approach to commercialized gambling to its historically successful role of seeking to contain it rather than promoting it. Working with our state and local affiliates, we also hold federal, state, and local-level briefings across the country at no charge.
